Dear Parents/Guardians of Sec 2 Students

Engagement with Parents/Guardians on Subject Option for Sec 3

We are into the 3rd week of our Government's Circuit Breaker (CB) measures in an effort to flatten the curve on transmissions of COVID-19 locally. These efforts require the commitment of every citizen and resident to exercise social responsibility by staying at home, using masks if they have to leave their homes and keeping a safe distance from others.

Though our Government planned for schools to return to normal from 4 May, the observations of practises in other countries may result in a longer CB period. Even if schools re-open as scheduled, it is unlikely that measures that disallow gathering of large groups will change.

As such, I have decided to shift the conduct of engagements with you on Subject Options for your child/ward from a group session in school to an engagement using Zoom. The schedule will be as follows:

Parents/Guardians of	Date & Day	Time
Sec 2 Express	28 April, Tuesday	12 noon – 1pm
Sec 2 Express	28 April, Tuesday	2.30 pm – 3.30 pm
Sec 2 Normal (Academic & Technical)	30 April, Thursday	12 noon – 1 pm

Please sign-up for the session you want to attend using the QR code. We will send you the Zoom meeting details for the Engagement Session through PG, 45 minutes before the session, and you may log into the zoom meeting 15 minutes before the start. When joining the session, please leave your name as '**Class 2XX_Parent of (Name of child)**', e.g. Class 201_Parent of Teo Hwee Pin. This is to authenticate the identity of the participants for the session. We will begin the session punctually.

In addition, if you have questions to raise, please reflect your questions with the form you submit. The slides on the Subject Option, used to brief your child/ward were sent earlier after we conducted the briefing for them.
